

PUBLIC CONSULTATION FOR THE PROPOSED AFFORDABLE HOUSING DEVELOPMENT ON LAND OFF BRICK KILN LANE, THURSFORD

PURPOSE OF THIS LEAFLET

To inform the nearby residents and interested stakeholders and to provide an early opportunity for people to comment on emerging proposals for the development that incorporates:

12 Affordable Housing units

The affordable housing development would help to meet a proven local housing need for affordable housing in Thursford as demonstrated in the Council's Strategic Housing Market Assessment and is put forward as an exception site.

Zarah Developments will be looking to submit a full planning application for a scheme to provide 100% Affordable Homes in due course, which once completed, will be made available to local people and key workers who are unable to afford homes in the area.

Your views are welcomed and will be considered by the Project Team before the design is finalised and the full planning application is submitted to North Norfolk District Council. Following submission, there will then be a further formal opportunity to comment on the submitted planning application as part of the District Council's Statutory Consultation Process.
