With the ending of the Government Winter Fuel Allowance balancing finances this winter will be even more difficult for many and critical for some.

Our small charity can only do a little, so to focus our funds on those in Thursford most in need, we have this year decided to invite applications for a Thursford Fuel Allotment Charity Winter Fuel Grant.

If you would like to be considered, please complete the attached form and email or post it to our charity secretary, whose contact details you will find below. Please make sure that your application arrives by 1st November 2024. Successful applications will receive their grant in early December.
